TAMILNADU PUBLIC WORKS DEPARTMENT ENGINEERS ASSOCIATION

Editorial

I am immensely pleased to meet all the Brother/sister Engineers through this News Bulletin.

Under the new Government headed by our Charismatic Hon'ble Chief Minister and energetic High profile Hon'ble Minister for Public Works & Sports Development our 150 year old Department will further sparkle and serve to the needs of the Occupying Departments in general and the common Public in particular.

We will certainly march towards the gates of Eliteness and set ourselves high standards under the able leadership of our Secretary to Government and our Engineer- In - Chief, PWD.

Further we appreciate the action taken by Government in the Transfer and Posting of Engineers who have served in the same station for more period and also insist that the same ideology be followed for all the Engineers.

We further request our EIC that the promotional aspects are the main source of motivation for the serving Engineers and request that necessary proposals may please be sent to Government from time to time for the speedy movement of the panels in future.

We also request our EIC to generally consider the transfer and postings of AEs/AEEs on humanitarian grounds considering their age and the left over service.

The Senior Engineers are hereby requested to consider the work nature of the young and new Engineers working under them and have a special rapport with them one to one and conduct monthly grievance meetings to redress their griavances if any.

We will work in tandem with TNEF for restoring our legitimate pay structure and seek all legal measures to achieve the same.

I reiterate "Unity is our strength"

Lets all join together and steer our presitigious Association to the path of success and glory.

Chennai.

Subject: Request to Consider Serving PWD Engineers for Appointment to One Chief Engineer Post and Two Superintending Engineer Posts.

Respected Sir,

On behalf of the Tamil Nadu Public Works Department Engineers Association, we respectfully submit this representation for your kind consideration regarding the appointment to One Chief Engineer Post and Two Superintending Engineer Posts in the Tamil Nadu Industrial Development Corporation (TIDCO).

There are several experienced Engineers presently serving in the Public Works Department who possess more than 25 years of dedicated service. They have acquired extensive technical expertise, administrative experience, and in-depth knowledge of project planning, execution, and management. These officers are fully capable, committed, and willing to continue serving the Government with the highest level of dedication.

At present, retired Engineers are being considered for certain senior technical positions. While we acknowledge and respect their valuable contributions, we humbly submit that preference may kindly be given to serving PWD Engineers for appointment to One Chief Engineer Post and Two Superintending Engineer Posts. Providing such opportunities to officers who are still in active service would not only recognize their long-standing commitment and experience but also motivate the engineering fraternity and ensure continuity in administration and execution of public infrastructure projects.

We therefore request to kindly consider appointing eligible serving PWD Engineers to the post of Superintending Engineer and Chief Engineer in the Tamil Nadu Industrial Development Corporation (TIDCO).

We shall be grateful for your kind and favourable consideration.

Thanking you,

Yours faithfully,
Secretary/TNPWDEA

President / TNPWDEA, **Er. M.Palani**, briefed the gathering about the purpose of the meeting, the importance of involvement of Engineers in the association.

Er. E. Emmanuel Jaikar, Secretary / TNPWDEA, expressed his concern regarding the reduction in the pay scales of Assistant Engineers, Assistant Executive Engineers and Executive Engineers.

He stated that the Tamil Nadu Public Works Department Engineers Association is a member association of the Tamil Nadu Engineering Federation. He suggested that the issue should be taken up jointly with the Federation at the Minister level and urged that necessary steps be taken to arrive at a favourable solution at the earliest.

Secretary suggested that a meeting be convened at Madurai at the earliest, inviting the concerned Assistant Engineers (AEs), to discuss their issues and grievances on behalf of the Association.

He stated that such an interaction would help the Association understand their concerns and establish better communication with them, thereby enabling the Association to address their problems effectively and strengthening its efforts in this regard.

He requested the Engineer-in-Chief to forward the promotion panel to the Government for further consideration and necessary action.

Secretary announced the names of the newly Co-opted Executive Committee Members.

The List of Members are as follows:

1. Vijayanand.S, Executive Engineer, Chennai
2. Parthiban.M Assistant Executive Engineer, Chennai
3. Subramaniam.PL, Assistant Engineer, Chennai
4. Dinesh.R, Assistant Engineer, Chennai
5. Ramachandramoorthy M, Assistant Executive Engineer, Chennai 6.
6. Gopi.P, Assistant Executive Engineer, Coimbatore
7. Pravin Kumar.G, Assistant Engineer, Coimbatore
8. Jawahar Benazir S H R, Assistant Architect, Chennai
9. Nagaraj, Assistant Executive Engineer, Vellore
10. Varadharajan.R, Executive Engineer, Thiruvallur
11. Santhi Kumar.R, Assistant Engineer, Trichy

12. Vimal Francis.J, Assistant Engineer, Madurai
13. Nishanth.S, Assistant Engineer, Vidhunagar
14. Manikandan.M, Assistant Engineer (QC), Coimbatore
15. Balaji.M, Assistant Executive Engineer, Vilupuram.

The Office Bearers unanimously approved and accepted the newly Co-opted members.

Er. P.Govindarajulu, Joint Secretary (Organization) / TNPWDEA, expressed the view that, by strengthening the legal approach and proceeding strategically, Association could achieve an early and favourable resolution to the Pay Scale issue.

Er.K.Gowthaman, Vice President / TNPWDEA, suggested that the issues and problems faced by the Assistant Engineers should be identified and appropriate measures should be taken to resolve them effectively.

Further suggested that the Association should first engage with the AEs to understand their grievances in detail and explore appropriate solutions before taking up the matter at the Minister level.

He also emphasized that the newly elected office bearers should function actively and effectively to ensure the continued and effective functioning of the Association.

Er.K.Periakaruppan, Treasurer / TNPWDEA shared an update on the status of the information and documents to be submitted to the Government for the construction of the Association's office building.

The meeting came to an end with vote of thanks delivered by **Er. K.Gowthaman**, Vice President, TNPWDEA.
